Dear Mr. Conley

Tell Jack I got his letter, I also
 got one from Jerry. Tell Jack I would
 have asked him to come down but
 we are not sure he got it since I
 couldn't really tell what the address
 was he had on the letter, tell him
 the judge has OK. on his return.
 I want to talk to him about stones
 also I think I got some reason of what
 for him & Jack both, not that Howe
 will probably want to see them so
 bring them to stay a couple days
 in Birmingham, I can explain anything
 when I see them. Try to come one
 day except wed. & Thurs
 Take it Easy Jerry
